

Innovative | Interactive | Intelligent

The 2700 CE is the most advanced, next generation ATM for the retail market.

Design

The modern, yet simple design of the 2700 CE looks like no other ATM before its time. The elegant lines of the 2700 CE allows it to fit in, and even enhance, any setting. The optional LED topper or LCD topper are powerful advertising tools and seamless extensions of the ATM.

Dynamic User Interface

The 2700 CE's highly advanced user interface and graphics compliments the design. Enhanced features include streaming news and weather updates, background changes, advertising capability, and vibrating touch screen.

More Power and Security

The ARM v7 Cortex A8 834MHz CPU, has expert data processing capabilities to power multitasking, networking, and enhanced graphics & audio.

Enhanced security features ensure the highest level of security of any ATM:

Security Options

- Anti-Skimming (Skimmer's device detector)

- Auto remote report (with RMS system)
- Enhanced safe door and locking mechanism

Innovative | Interactive | Intelligent

The 2700 CE is the most advanced, cost effective ATM on the market.

System Control

- ARM v7 Cortex A8
- Microsoft® Windows CE 6.0

Customer Display

- 10.2" TFT LCD

Communication

- TCP/IP (SSL configurable)

Optional

- Dial-up

Input Type

- 4x2 touch function keys

Optional

- 10.2" TFT touch screen with vibrating feedback

Languages

- English
- Spanish
- French

Card Handling

- Dip-type card reader

Optional

- IC card reader EMV Level 1, 2 compliant

Cash Dispensing

- 1,000 or 2,000-note removable cassette
Up to Three cassettes

Printers

- 80 mm graphical thermal receipt printer

Security

- UL Business Hour safe
- Mechanical combination lock
- Security Options
 - UL Level 1 safe
 - Electronic safe lock
 - KABA Mas Cencon safe lock
 - Alarm Box Option
 - Proximity Sensor Option
 - Camera Option

Power Supply

- AC 110–230V, 50–60 Hz

Operating Environment

- Temperature: -32°F–104°F
- Humidity: 25%–85%

Dimension and Weight

- Height: 52.3" (1,328 mm)
- With Topper: 66.3" (1,685 mm)
- Width: 15.7" (400 mm)
- Depth: 18.4" (468 mm)
- Weight: 265 lbs (120 kg)

Illuminated Topper

Optional Double sided LED Back-Light
Optional 15" LCD

LED Back-Lit ATM Sign

Function Keys

(4x4 touch function keys)

Receipt Printer

Graphical thermal printer
Prevents paper jam
80 mm thermal receipt paper
Automatic paper loading and cutting

ATM Sales, ATM Service ATM Leasing

ATM America

ATM America provides ATM solutions and service second to none. By providing the very best ATM equipment along with our 24x7 customer support, we have developed a strong client base that continues to grow since 1994. If you are looking for an ATM partner that can service your needs, yet still provide a personal touch, please don't hesitate to pickup up the phone and give us a call!

ATM America works with each customer individually to determine the equipment and program that will create maximum profitability for their business. Their installation and service fees are consistently better than competitors – providing superior value to business owners.

Having been in business since 1994, ATM America offers a wide range of services and products to meet customers' unique needs. We provide 24-hour first and second-line maintenance, installation, repair, parts, troubleshooting and much more. And, their equipment offerings are extensive, giving their customers the option of stand-alone ATM, a drive-thru kiosk, a walk-up ATM system.

Whether you are a club operator or store owner, city, State or national venue, ATM will make your location more profitable.

Customer Service:

Since 1994 ATM America has provided 24x7 customer support. Our customers will have mobile phone access to primary team members of ATM America. Your happiness and success is our primary goal.

Over the past 14 years ATM Link, Inc. has become one of the leading service providers of ATM machines in United States “we have a very strong client base in the Houston area, allowing us to service units within hours of reported calls”. Not only do we recommend what ATM Program will work best in your location, we also provide you with additional tools to enhance your marketing and earn more revenue.

Our superior customer service includes service for ATM Machines and we also minimize ATM security and identity theft concerns for our partners and the customers.

ATM free placement, sales, leasing service and processing for retail, convenience stores, nightclubs, convenience and grocery stores, mobile or custom placement venues. We even offer custom themes and enclosure ideas for special events. ATM America has been providing initially began in 1994 servicing the San Antonio and surrounding towns. Since then we have expanded stated wide and can now provide nationwide ATM services. Whether you need a long or short term ATM placement. Pickup the phone and give us a ring. Although we believe our free placement service plans offer the best win – win , we offer customized service plans.

If it makes financial sense for both parties we are open to your ideas. We are truly concerned about customer service and engineering plans that work for both parties.

To make placement services easier, we provide a menu of “standard” services on our primary website: <http://www.atmamerica.net>

Although we can provide nationwide services, we focus our efforts in Texas:

Houston, San Antonio, Dallas, Austin, Fort Worth, El Paso, Arlington, Corpus Christi, Plano, Laredo, Lubbock, Garland, Irving, Amarillo, Grand Prairie, Brownsville, Pasadena, McKinney, Mesquite, McAllen, Killeen, Frisco, Waco, Carrollton, Denton, Midland, Abilene, Beaumont,
